

## Figaro Limited Warranty

This Figaro Limited Warranty applies to gas sensors, gas sensor modules and oxygen sensors (collectively referred to in this Figaro Limited Warranty as “Figaro Products”) sold by Figaro Engineering Inc. (“Figaro”), its subsidiaries, or authorized distributors. This Figaro Limited Warranty is NOT applicable to Figaro products which are sold through non-authorized distributors or resellers. The term “Figaro Product” DOES NOT include evaluation modules or other evaluation tools for the Figaro-Products, or Figaro-branded breath alcohol testers.

This Figaro Limited Warranty extends only to the original purchaser of the Figaro Products located in all countries.

The Figaro Product is warranted to the original purchaser for a period of one (1) year from the original purchase date (“Limited Warranty Period”). Figaro warrants that the Figaro Products that are sold by Figaro are free from defects in materials or workmanship under normal use during the Limited Warranty Period.

Figaro guarantees that it will repair or replace, at Figaro’s option, a Figaro Product that manifests a defect in materials or workmanship when inspected at Figaro facility, if you, the original purchaser, provides Figaro with notice of a defect in your Figaro product during the Limited Warranty Period, and returns your Figaro product, postage paid, to Figaro facility.

**THIS WARRANTY IS VOID IF THE FIGARO PRODUCT HAS BEEN DAMAGED BY ACCIDENT, ABUSE, UNREASONABLE USE, ALTERATION, IMPROPER REPAIR, OR FAILURE TO FOLLOW THE INSTRUCTIONS (a), (b), (c) and (d) BELOW:**

(a) Please use the Figaro Products in accordance with instructions, specifications, an extensive description of cautions, and other information provided in the Figaro product information, technical information and/or other technical documents, and on the Figaro website (collectively referred to in this Figaro Limited Warranty as “Instructions”).

(b) Figaro reserves the right to make changes without notice to any products and/or the Instructions to improve reliability, functionality or design. Please make sure to refer to the latest version of the relevant Instructions before use of the Figaro Products.

(c) In order to ensure reliability required on application for which you wish to use the Figaro Products, please employ product safety design for your applications with a sufficient safety factor and other preventive measures against malfunctions and other adverse effects on the safety of your applications in the rare event of malfunction of the Figaro Product. You are responsible for service and maintenance of your applications using the Figaro Products.

(d) The Figaro Products are general-purpose components designed, manufactured and tested for industrial application. The Figaro Products are not designed, manufactured, tested, or intended specifically for use in or incorporation into systems which may threaten the safety of human life or body, cause large losses to property, or interrupt large-scale systems (such as nuclear plant control systems, aircrafts, space crafts, medical equipment or other life support applications) when the Figaro Product is not in perfect condition. If you use the Figaro Products for or with such systems or applications against direction of Figaro, you assume all risk for such use or application.

FIGARO MAKES NO OTHER EXPRESS WARRANTY OR CONDITION WHETHER WRITTEN OR ORAL AND FIGARO EXPRESSLY DISCLAIMS ALL WARRANTIES AND CONDITIONS NOT STATED IN THIS FIGARO LIMITED WARRANTY. FIGARO DISCLAIMS ALL IMPLIED WARRANTIES OR CONDITIONS, INCLUDING ANY IMPLIED WARRANTIES OF MERCHANTABILITY AND FITNESS FOR A PARTICULAR PURPOSE.

Specifications and performance data provided or specified in the Instructions are obtained under the standard test conditions of Figaro. Figaro Products may malfunction or be deteriorated or damaged under the operating or environmental conditions which exceed the conditions specified in the Instructions, such as described in the cautions provided in the Instructions. Figaro expressly disclaims any warranties of performance or specifications of the Figaro Products used with or in your particular application. You assume risk of fitness for your particular application or system.

If you have a separate written agreement with Figaro, warranty provisions in such agreement shall prevail.
